## PAY 3 GET 4

## FAMILY DISCOUNT

Families with 3 or more active students at JStep Dance can receive a free class for a 4th Family Member. This offer is only valid within immediate family. The class of the lowest cost will be free. Fees must be paid by the current due date, otherwise this discount will be void.

## UNLIMITED CLASSES

This deal is \$75 per week per student. Based on weeks in a term not individual days. For example if one of your classes fell on a day that happened to be a public holiday when no classes are running you would still have to pay for that week. You would be restricted to your own age group classes first before joining other classes, to join classes outside of your age group; it would be based on level and availability within the class. This option cannot be split into separate payments, it must be paid in full prior to the term beginning. Late payments for this option will not be accepted. Once opted into this deal it is a term commitment, there will be no refunds for change of mind to this deal; For example If you dropped down to 4 classes instead of 6 where the value would be less, a refund of difference would not be available; however in the next term you could change to only paying for what you do.
